Windows Sessions	
Windows Year End (double session)	<p>So do you feel like you're on an endless Tilt-A-Whirl ride at the County Fair, and not enjoying that corn dog and apple pie you just ate? Our payroll year just flies by and before we know it, it's December and time for W-2s. Year End processing in the Payroll world comes at such an inconvenient time, doesn't it? Year-end audit activities, the holidays, not to mention that kids are out of school. Wanting to spend time with the family makes completing the year-end tasks seem all the more impossible! What if we try to convince you that spending a little time each pay period in year-end preparation will make it all so much easier? We offer good news in that Optimum has put together a step by step guide for getting through Year End without feeling like you are in a rodeo being chased down the midway! Come to our double session where we will step through each process from reviewing your setup to reconciling and verifying your wage history, and preparing the W-2s. Whether you are new to Optimum HRIS in 2017, or a seasoned "Optimum-professional", come join us at the fair!</p> <p>Presented by Deena Russell</p>
